Safe Harbor Notice

The statements included in this presentation that are not historical in nature are “forward-looking statements”. These forward-looking statements, which may include statements regarding AUO Corporation’s future performance, financial condition or business prospects, are subject to significant risks and uncertainties and are based on AUO Corporation’s current expectations.

Actual results may differ materially from those expressed or implied in these forward-looking statements for a variety of reasons, including, among other things: the cyclical nature of our industry; our dependence on introducing new products on a timely basis; our dependence on growth in the demand for our products; our ability to compete effectively; our ability to successfully expand our capacity; our dependence on key personnel; general economic and political conditions, including those related to the TFT-LCD industry; and possible disruptions in activities caused by natural and human-induced disasters, including terrorist activity and conflict; and fluctuations in foreign currency exchange rates.

Our forward-looking statements at any particular time do not create any duty of disclosure beyond that which is imposed by law, and we expressly disclaim any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
